

Motor: LQ 180L

Application: Injection moulding

Motor: LTS 160M

Application: Injection moulding

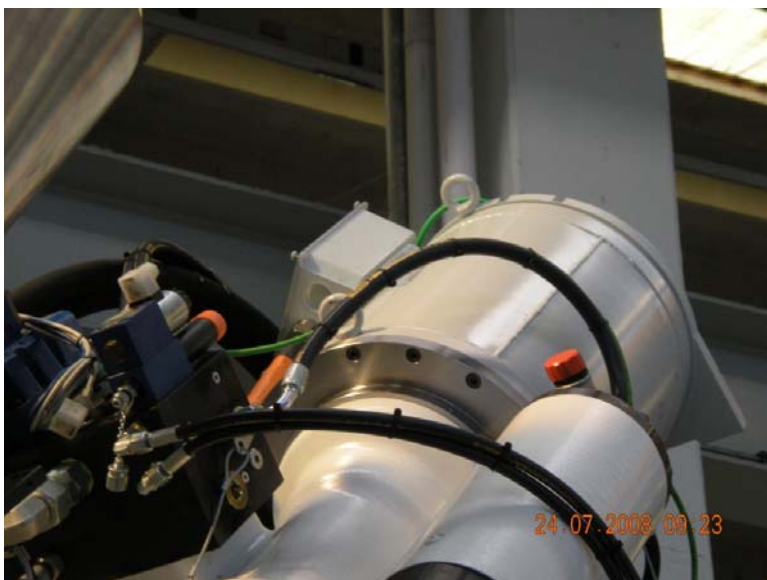

Motors: HQLa 160L

Application:  
Test stand for transmission units

Motors: HQLa 280L

Application:  
Test stand for transmission units

Motor: LTS 200L

Application: Injection moulding

Motor: LTS 280X

Application: Extruder

Motors: HQLa 280P

Application:  
Test stand for transmission units

Motors: HQLa 280P + 225X

Application:  
Test stand for transmission units

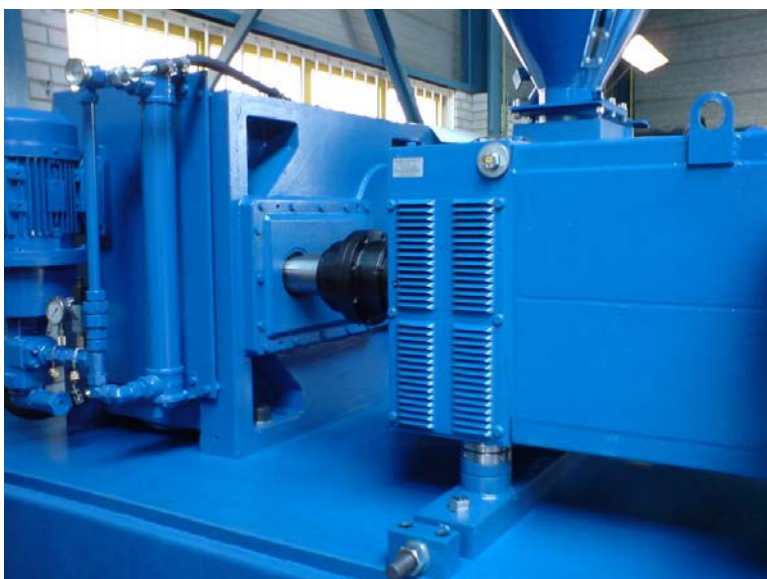

Motors: LQ 160P

Application:  
Electric traction truck

Motors: HQLa 280P

Application:  
Test stand for transmission units

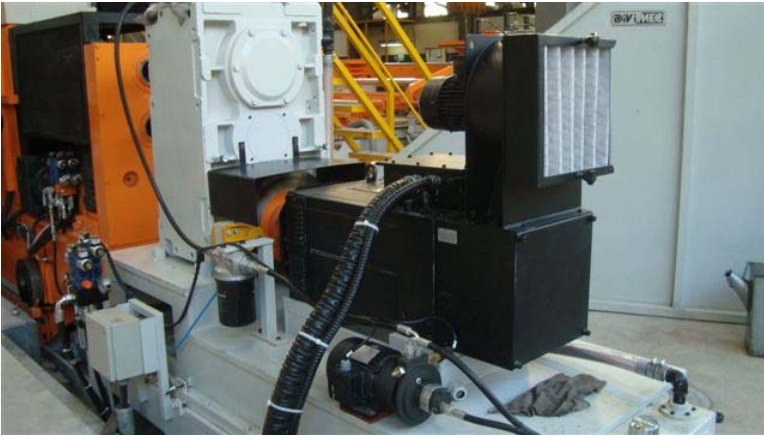

Motors: HQLa 280P

Application: Extruder

Motors: HQL 160P

Application:  
Test stand for transmission units

Motors: HQLa 180L

Application: Extruder
